MULTISENSORY JOURNEY

Imagine the thrill of a live concert, the immersion of a blockbuster film, and the intimacy of a private screening, all rolled into one breathtaking package. This is more than entertainment; it's a revolution in home audiovisual excellence.

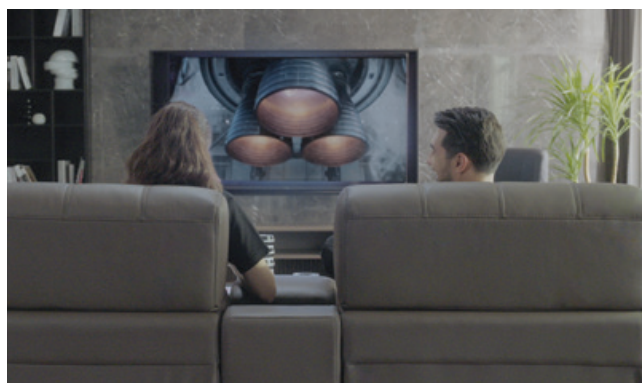

Experience the future of home entertainment.

ULTIMATE HOME ENTERTAINMENT EXPERIENCE

At Relax Studio, where we redefine the harmony of sound, vision and comfort. While others merely offer products, we craft experiences. We believe that true immersion requires seamless integration. That's why our Homestage collection are more than just sofas – they're the centerpiece of an orchestrated symphony.

CINEMATIC COMFORT

Get ready to immerse yourself in cinematic bliss! Our cinema-style seats are meticulously designed to keep you comfortable during every movie marathon and boxset binge. Settle in and enjoy the show like never before.

LIFESTYLE CONSOLE

Revolutionizing your entertainment experience. With seamless Bluetooth connectivity for both your TV and mobile devices, empowering you to stream your favorite content. But that's just the beginning.

With one-touch music control, integrated wireless charging, and built-in USB ports, convenience is at your fingertips like never before. And a built-in storage box and cup holders for added functionality.

SMART TABLE

Wireless charging station and storage space for your remote controls, the Smart Console is designed to enhance your lounging experience and optimize functionality.

SOUND TOUCH

Your audio experience, effortlessly mastered. Connect, skip and adjust the volume with a tap. Simplify your sound, and amplify your convenience.

SOUND YOU CAN FEEL

Love the subwoofer that unleashes a powerful spectrum of bass, elevating everything from cinematic explosions to heart-pounding playlists. Go ahead, crank up your favourite tunes and let the rhythm pulse through your home.

LEAN BACK AND EXPERIENCE COMFORT

BUILT-IN USB PORT

Let the world pass you by while you unwind and recharge, both your mind and your devices with the built-in USB Port Type-A and Type-C.

POWER CONTROL

Ultimate luxury with Power Control's motorized comfort functions. Experience unparalleled comfort as you effortlessly find your ideal position with the touch of a button.

HOME BUTTON

With just a simple push of the Home button, effortlessly transition from reclined to an upright position in one smooth movement

HOMESTAGE

LEATHERS

As one of the foremost furniture manufacturers globally, we bear a significant responsibility. Every piece, from our leather to our sofas, is crafted with unwavering dedication to quality. In alignment with our commitment, we collaborate with the foremost authority in product testing and compliance.

Our dedication to quality management and environmentally conscious manufacturing is unwavering. We constantly strive to remain abreast of the latest standards, partnering with esteemed international institutions to ensure adherence to current guidelines.

NEW GEORGIA (NW) is a corrected matte grain upholstery leather designed for enhanced color uniformity and stain resistance. Buffed and embossed with a protective coating, it ensures reliable performance for everyday use without sacrificing durability. NEW GEORGIA is the ideal choice for those seeking both quality and dependability.

NAPOLI (NP) is a luxurious, ultra-soft upholstery leather with a matte sheen and a naturally pebbled texture. It is one of our finest corrected grain leathers, crafted from premium cow hides. These hides are conventionally dyed, re-tanned, and finished with a micro-pigment protective coat. The result is leather with uniform coloration and exceptional durability, all while preserving its natural characteristics and feel when upholstered.

NEW CLUB (NC) is crafted from our premium hides, offering top grain leather with a distinct embossed texture. Meticulously finished with a protective coat, it boasts enhanced durability and resilience while ensuring a comfortable touch and a consistent, rich grain appearance. NEW CLUB epitomizes affordable luxury, seamlessly blending durability with comfort for the perfect synthesis.

ROYAL (RY) is one of our finest corrected grain leathers, featuring a natural pebbled texture. Made from premium cow hides, it undergoes conventional dyeing, retanning, and finishing with micro pigment and a protective coat. This process ensures even coloration and exceptional durability while preserving the leather’s natural characteristics and feel when upholstered. ROYAL offers affordable luxury with a matte finish.

AVENTI (AV) features top grain leather enhanced with a distinct embossed texture crafted from our premium hides. It is finished with a protective coating that boosts its durability and resilience, while still offering a comfortable touch and a rich, consistent grain appearance. With its matte finish, AVENTI represents affordable luxury.
