

## MULLHOUSE DINING TABLE

---

Crafted from Elm salvaged from Eastern European buildings, the Mulhouse Collection preserves the natural knots, grains, and variations of timber aged 60–100 years. Each piece is rich in detail and warm, natural hues, with subtle imperfections that celebrate the timber's unique character.

Please note: Due to the nature of furniture construction, all furniture dimensions can vary by +/- 20mm

### TECHNICAL INFORMATION

---

1200mm DIA x 760 mm H
